A striking geometric lighting design. Pronograde is a two-tiered architectural structure that features two crossbars with multiple arms embracing eight Edison-styled lamps for a unique decorative look. The frame and hardware are finished in Textured Black. This handsome ceiling fixture is perfect for modern homes, offices, and labs, from Collierville, Tennessee, to North Wales, Pennsylvania, to San Diego, California. The Pronograde Jack 8 Light Chandelier is featured in our American-made, American-designed, handcrafted Industrial Lighting Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
