Rugged rustic charm greeted with gothic appeal. This lighting design was inspired by Antique Wooden staves traditionally bound by wooden hoops in the construction of beer/whisky barrels and wine casks. Eight Mahogany Bronze finished solid-stout curved arms support eight bobeches accented with complementary faux candles on its perimeter. A downlight provides functional illumination on surfaces below. The overall height ranges from 36 to 43 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Ideal for lobbies, foyers, banquet rooms, and reception areas. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Available in custom sizes, styles and colors. UL and cUL listed for damp and dry locations.
