	Quantity:: 2
	Shape:: A19
	Wattage:: 60
Other	**Family::** Corinth

This striking ceiling pendant features an authentic style that recreates the look of fine Marble. This lovely inverted shade is created with White Marble Idalight, which captures the beauty and uniqueness of the natural veins found in fine Italian Marble. These sinuous patterns generate a visual effect of smooth movements that run across the entire surface of the curvaceous shade, which is embraced with a suspension rod by an elegant cast metal canopy featured in a Mahogany Bronze finish. The fixture is inspired by classic marble materials found in famous monuments, statues, and landmarks from Washington, DC, to New York City, to Rome, Italy. The ceiling pendant is ideal for placement in hallways and dining areas to create a beautiful design statement. The overall height ranges from 26.5 inches to 62 inches, as the chain can be adjusted in the field to meet your exact specifications. The Corinth Marble Inverted Pendant is included in our Transitional Lighting Collection. UL and cUL listed for dry and damp locations.
