Other

Make a dramatic design statement with the impressive Heliocentricity Pendant. A Statuario Idalight Orb shade, with thin metal shrouds that follow the contour of the diffuser, is embraced by a solid metal triplex structure suspended by spacecraft cable from the hub, which is attached to the ceiling. This stunning lighting fixture features a Mirror Black finish. This eyecatching piece of illumination is ideal for illuminating dining tables, bars, and islands in residential and hospitality spaces. The Heliocentricity Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. The fixture id UL and cUL listed for dry and damp locations.
