Ideal for placement in entryways and dining spaces in residential, hospitality, and commercial spaces. The overall height ranges from 26 to 61 inches, as the chain can be easily adjusted on location depending on customer requirements. The Kitzi Box Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations, but we don't recommend installing it in a space that experiences a lot of moisture due to the fabric shade.
