Designed with a curved profile and a clean architectural look, this appealing and versatile swing arm wall sconce reveals a sophisticated aesthetic. A White Linen shade is complemented with a Conrail Mist Idalight bottom diffuser. The hardware is finished in Solar Black with Gold Matte accents. The swing arm adjusts horizontally from 22 to 48.5 inches in width, and adjusts the depth from 44.5 to 48.5 inches from the wall. The Cilindro Swing Arm Wall Sconce is included in our American-made, American-designed, handcrafted Modern Collection and manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade. Featured in the Johns Hopkins Facility for Research, Education, and Public Engagement in Baltimore, Maryland, and designed by Rockwell Group.
