Designed with a curved Brass profile and a clean architectural look. This appealing swing arm wall sconce reveals a sophisticated aesthetic with functional capabilities. An Off-White Textrene shade is complemented with a Statuario Idalight bottom diffuser and Antique Brass hardware. This adjustable swing arm ranges laterally from 60 to 72 inches to illuminate reading and other tasks. The Cilindro Textrene Swing Arm Wall Sconce is included in our American-made, American-designed handcrafted Modern Collection. Manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
