Over four dozen Starburst Brass finished cylinders are designed with state-of-the-art RGB LED technology to maximize your color-changing capabilities. The enormous showering pendant includes two metal frames to create a magnificent modern work of art as a storefront entry. Integral LEDs offer high-quality illumination, energy savings, and minimal maintenance. The fixture is ideal for illuminating reception areas, entryways, stairways, and other large spaces in hospitality and commercial settings. The Barra de luzis is included in our American-made, American-designed, handcrafted Modern Lighting Collection. UL and cUL listed for dry and damp locations. Custom Made. Call for lead time and pricing. The fixture was designed by JGA of Southfield, Michigan, and featured in Tapper's Jewelry Store in Troy, Michigan. The pendant was sold through Tarrant Lighting.
