Other

Created with a stunning architectural look combined with edgy industrial styling, this cube-shaped pendant design features a Natural finished steel frame embraced by a sturdy crossbar structure. The fixture frame embraces a Statuario Idalight lens which diffuses illumination projected from a 60-watt downlight above. The downlight is mounted to the ceiling canopy and suspends the fixture with a heavy chain. Custom crafted and tightly engineered in our 180,000 square foot manufacturing facility in Yorkville, New York this pendant is available in custom sizes, styles, colors and dimmable energy efficient lamping options such as LED. The fixture is UL and cUL listed for damp and dry locations.
