An appealing curved architectural design defines the Cilindro Palomino flushmount. Beautiful ambient light projects through a handpainted Textrene Shade with a Statuario Idalight bottom diffuser which is enhanced with a frame and hardware featured in a White powdercoated finish. The fixture illuminates with a customer-supplied compact fluorescent lamp. Handcrafted by highly skilled artisans in our manufacturing facility in Upstate New York, this transitional styled fixture is available in a wide range of custom choices including various designs, colors, sizes and dimmable energy efficient lamping options such as LED. The fixture is UL and cUL listed for damp and dry locations.
