Anillo is a modern sophisticated pendant. This unique element creates a spectral halo of light for a stunning visual effect and breathtaking drama. This Bronze Metallic finished ring reveals a Statuario Idalight diffuser. Integral LEDs deliver beautiful illumination, energy savings and long life. The overall height of this pendant ranges from 10 to 80 inches as the spacecraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. The fixture is custom crafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Custom sizes and finishes are available. UL and cUL listed for dry and damp locations.
