#### Other

A splendid elegance is combined with refined sophistication. The Chantilly Chandelier impresses with Hand-forged Iron frame and floral bobeches that embrace Amber faux candlelights which are crowned with Cream Trumpet Textrene Shades for an upscale look. French Bronze finished hardware with acanthus leaves and scrolled accents are trimmed with luxurious crystal pendalogs. Handmade in the USA, this chandelier is available in custom styles, colors, and sizes, as well as dimmable lamping options. The 24-inch wide fixture is UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
