Offering a refined architectural look that will complement the most luxurious interiors, the pendant creates soft illumination and sophistication with its elegant palette. The White Moire Silk shade is constructed using a mushroom pleat for added depth and is complemented with a Statuario Idalight bottom diffuser. The fixture is enhanced with Nickel finished hardware. The Cilindro Mushroom Pleated Textrene Pendant is included in our American-made, American-designed, handcrafted Modern Collection, which is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
