A dramatically styled pendant. Gravity features a cone-shaped shade that is finished in an Enclosure Gray powder coat and strikingly set on the outer surface, amazingly contrasting against a Light Gray internal metallic finish. The richly appointed interior results in a warm, burnished glow. The overall height ranges from 24 to 95 inches as the cable length can be easily adjusted in the field to accommodate your specific lighting needs. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations.
