Jenna is a sumptuous decorative lighting design that creates an exquisite centerpiece to add a touch of elegance and beautiful ambient lighting to your interiors. Curved arms, scrolled accents, and 5 bobeches featured in a Golden Bronze finish embrace Amber faux candlelights topped with stunning Aged Celadon Parchment shades to evoke a rich, lustrous charm. The overall height of this chandelier ranges from 21 to 69 inches and the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, NY, this chandelier is available in custom sizes, styles, and colors, and with dimmable, energy efficient lamping options. The 24-inch wide chandelier is UL and cUL listed for dry and damp locations, however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
