Designed with the glitz and glam of old fashioned movie theaters. Paramount evokes a romantic allusion with a dramatic lighting design that features a White Opal Glass diffuser created using the famous copperfoil construction. Multi layers and levels of enclosed glass towers create an extraordinary dimensional effect. The pendant features Blackened Brass. The overall height ranges from 48 to 78 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting needs. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations.
