Grace and beauty defined... Rula offers a refined take on this handsome chandelier silhouette. The clean, open quality brings design-minded style and clean lines to a classic fixture. Five Tapered Parchment Paper shades smoothly project ambient light over islands, counters, dining, and tables where you want to make a design statement, whether in a lodge, resort, retailer, home, or camp from Arlington, Virginia, and Omaha, Nebraska, to Sacramento, California. The Rula Chandelier is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection and manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the parchment shades.
