Grace and beauty are defined. Rula offers a refined take on a geometric chandelier silhouette. The clean, open quality brings design-minded style and clean lines to a classic fixture. Five Tapered Blue Textrene shades smoothly distribute ambient light to the room while allowing direct light to grace the subjects below. This handsome fixture, which features a frame and hardware finished in Brushed Nickel, is perfect over islands, counters, dining and billiard tables where you want to make a design statement, whether it is located in a lodge, resort, retailer, home, or camp from Arlington, Virginia and Omaha, Nebraska, to Sacramento, California. The overall height ranges from 26 to 61 inches, as the chain can be easily adjusted in the field to meet your lighting specifications. The Rula Chandelier is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. UL & cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the parchment shade.
