Rugged rustic charm greets Gothic styling. This handsome lighting design was inspired by Antique Wooden staves traditionally bound by wooden hoops in the construction of beer/ whiskey barrels and wine casks. Coffee Bean finished solid-stout curved arms support 8 bobeches accented with complementary faux candles on its perimeter. The overall height of this chandelier ranges from 32 to 67 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Candlelight colors, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations.
