Inspired by a new Modernism, this eye-catching abstract expressionist design integrates criss-cross patterns with natural twig-like figures in a rich Cognac hue on a muted White. This artistic centerpiece is perfect on ceilings in kitchens, living areas, guest rooms and other spaces in homes, hotels, restaurants, clubs, retailers and other settings. The resilient material is made from 40% post-consumer recycled content and has unparalleled luminous translucency when lit. The pendant was custom crafted in the manufacturing facility in the USA. Custom styles, sizes and colors are available, as well as energy efficient lamping options.
