The bold, eye-catching Cyclone chandelier simulates whirling winds of energy and gyration with twisting metal. The fixture is accentuated with 13 delicately placed beacons to help you weather the storm. The winding mass of steel surrounds a sturdy post featured in a Pewter powder coat finish. Make an impressive design statement that will wow guests in lobbies, conference rooms and entryways. Overall height ranges from 38 to 86 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 sq ft manufacturing facility in Yorkville, NY. Fixture designs, metal finishes and sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
