This stunning lighting pendant seamlessly blends a modern aesthetic with an architectural design. The pendant features a Tapered Smoke Glass Shade, which reveals a Statuario Idalight cylindrical diffuser that illuminates within. The fixture is enhanced with an Oil Rubbed Bronze finish. The pendant can illuminate a dining table, counter, or island in homes, lounges, and restaurants. The overall height ranges from 35 to 80 inches, as the suspension stems can be adjusted in the factory. The Cilindro Tapered Pendant is included in our American-made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations. This fixture, along with model 220082, 65" Wide Alva Cascading Chandelier, is featured in Rose Hill, a residential building located at 30 East 29th Street in Nomad in Manhattan, and developed by the Rockefeller Group, known for its legacy of pioneering excellence in New York City. CetraRuddy, Manhattan's premier architecture studio, brings the project to life both inside and out, combining the elegance and glamour of a classically Gotham aesthetic interpreted in a modern vocabulary for contemporary New York living.
