The handsome Exeter Banker's Lamp provides functional integral LED illumination with twin heads for reading and studying at desks, library tables, and other workspaces. The two diffusers feature Hailstone Idalight and are enhanced with hardware offered in a Bronze finish. This solid lamp mounts directly to a table or desk and exclusively utilizes an external 120-volt power supply. The Exeter Banker's Lamp is included in our American-made, American-designed, handcrafted Banker's Lamp Collection. The lamp is manufactured in Yorkville, New York. UL and cUL listed for dry locations.
