Elegant, luxurious charm blends with natural, rustic beauty. This extraordinary chandelier is inspired by antique staves, traditionally bound by metal hoops used to construct beer and whisky barrels, as well as wine casks. A stunning Hammered Oil Rubbed Bronze band and curved metal arms with bobeches embrace eight Ivory faux candlelights. This lovely chandelier creates beautiful ambient lighting and a sense of opulence in residential and hospitality spaces. The Barrel Stave Madero Chandelier is included in our American-made, American-designed, handcrafted Contemporary Rustic Collection and is manufactured in Yorkville, New York. The fixture is UL- and cUL-listed for dry and damp locations.
