With its graceful profile and elevated style, the Cilindro Bartel ceiling fixture delivers a masterful blend of luxury and presence. This handsome luminaire was created to enhance refined spaces with warmth, beauty, and sophistication. The fixture reveals a White Linen shade complemented with a Whitestone Idalight bottom diffuser. The ceiling fixture is enhanced with a decorative frame in Solar Black. With a captivating design, the alluring centerpiece is perfect for lighting foyers, dining areas, and other spaces in residences, hotels, and restaurants. The Cilindro Bartel Flush Mount is featured in our American-made, American-designed, handcrafted Modern Lighting Collection, manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade. Special thanks to Renee Bohman of Renee Bohman Interior Design and Allen Fankhauser of Bernard Electric Supply, both of Columbus, Ohio, for their work on this project.
