The luxurious pendant is ideal for illuminating dining rooms, living areas, and various residential, hospitality, and commercial spaces. The variable overall height ranges from 32 to 79 inches, representing the field cuttable stem on this fixture. The Cilindro Textrene Pendant is included in our American-made, American-designed, handcrafted Transitional Lighting Collection. This fixture is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience excessive moisture due to the fabric shade.
