This sleek architectural styled bollard features a handsome frame in a Rust finish designed with a vertical aperture that evokes ambient illumination from within. The versatile bollard is perfect for lighting pedestrian pathways, walkways, entrances, steps and landscapes in public spaces and private residences. Handcrafted in the USA by highly skilled artisans in our update manufacturing facility in NY, this indoor/outdoor fixture is available in custom sizes, styles, colors and dimmable lamping options such as LED. The bollard is UL and cUL listed for dry, damp and wet locations.
