Elegant chandeliers from Europe inspired this classic silhouette design, employing hand-forged iron-srolled arms and contoured supports to define its graceful profile from top to bottom and arm to arm. 9 Ivory faux candlelights perched on saucer-like bobeches add a lovely touch to this fixture which is hand-finished in Antique Copper. Overall height ranges from 28 to 62 inches as the chain easily adjusts in the field. The fixture is ideal for illuminating dining tables, lobbies, entryways and other residential, hospitality and commercial spaces. The Earl Chandelier is featured in our American-made, American-designed, handcrafted Traditional Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
