Beauty and grace come to light with this elegant, massive chandelier highlighted with an elaborate scroll design. This beautiful chandelier combines three 28" Wide Fernando 8 Light fixtures (117683) to produce this chandelier on a chain. Each individual fixture is highlighted with a scrollwork design and eight ivory faux candlelights perched on distinctive bobeches offered in an Antiquity finish. The chandelier is perfect for illuminating open or spiral staircases, entryways, and other rooms with tall ceilings in fine homes, hotels, restaurants, and other residential and commercial spaces, from Carmel, Indiana, to Brookfield, Wisconsin. The overall height ranges from 150-298 inches, as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. The Fernando Three-Tier Chandelier is included in our American-made, American-designed, handcrafted Traditional Lighting Collection, which is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry, damp and wet locations.
