Luxurious elegance comes to light. This stunning chandelier features a gorgeous Cortez Gold finished profile adorned with six Ivory faux candlelights embraced by floral fitters, crowned with Black Textrene shades, and accented with large crystals and crystal garland. The fixture projects beautiful ambient illumination and has an overall height ranging from 29 to 76 inches, as the chain length can be easily adjusted in the field. The lighting design was inspired by homes and other structures throughout the USA, including Belmont, Massachusetts, to Albuquerque, New Mexico, to Palo Alto, California. The Lindsay 6 Light Chandelier is featured in our American-made, American-designed, handmade Transitional Collection. UL & cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
