Squire features an elegant European design that employs Hand-Forge Iron scrolled arms and contoured supports to define its graceful profile. 6 Ivory faux candlelights crowned with White Parchment Shades perched on saucer-like bobeches add a lovely touch to this fixture. The chandelier is featured in a Cajun Spice hand applied finish. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Metal finishes, designs and sizes can be customized to your needs. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
