Elegant, classic European chandeliers inspired Squire's silhouette, employing Hand-Forged Iron scrolled arms and contoured supports to define its graceful profile from top to bottom and arm to arm. 6 Ivory faux candlelights perched on saucer-like bobeches add a lovely touch to this fixture, hand-finished in Blackwash. Overall height ranges from 32 to 67 as the chain easily adjusts in the field. The Squire Chandelier is featured in our American-manufactured, American-designed, handmade Traditional Lighting Collection. Manufactured in Yorkville, NY. UL & cUL listed for dry and damp locations.
