

Elegant, classic European chandeliers inspired Squire's silhouette, employing Hand-Forged Iron scrolled arms and contoured supports to define its graceful profile from top to bottom and arm to arm. 6 Ivory faux candlelights perched on saucer-like bobeches add a lovely touch to this fixture, hand-finished in Gilded Tobacco. The overall height ranges from 31 to 102, and the chain easily adjusts in the field to meet your exact specifications. The Squire Chandelier is featured in our Americanmanufactured, American-designed, handmade Traditional Lighting Collection, which is manufactured in Yorkville, NY. The fixture is UL & cUL listed for dry and damp locations.
