An architecturally designed wall sconce with a luxurious White Linen shade and Antique Iron Gate finished crossbar for a striking aesthetic. This sconce is perfect for various wall lighting applications in homes and hospitality spaces from Hialeah, Florida, to Garland, Texas, to Glendale, Arizona. The Paige Wall Sconce is featured in our American-made, American-designed, handcrafted Modern Lighting Collection, which is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shade.
