Nostalgic charm greets an authentic elegance suited for a variety of fine homes and businesses. This captivating lighting design was inspired by antique wooden staves traditionally bound by wooden hoops in the construction of beer/ whiskey barrels and wine casks. Charred Reclaimed Wooden staves highlight a Costello Black finished steel frame with curved arms that support six bobeches accented with faux candles on its perimeter. The chandelier is perfect for lobbies, foyers, banquet rooms and reception areas. Custom crafted by artisans in our manufacturing facility upstate New York, this fixture is available in custom colors, styles, sizes and dimmable energy efficient lamping options.
