Spanning more than 6 feet from top to bottom, this multi-tiered Cartier Cascading chandelier renders an eye-catching transitional look. Handsome Rainstone Idalight shades are aligned in a staggered formation, suspended from two decorative rings and a round canopy while providing light at various levels. All hardware is featured in a Black Textured finish while beautiful ambient light evokes from nine decorative cylinders, ideal for lobbies, foyers, ballrooms, and large spaces. The fixture is custom crafted in our Upstate New York manufacturing facilities. Custom sizes, styles, colors, and dimmable energy-efficient lamping options are available.
