Spanning up to more than 6 feet from top to bottom, a two-tiered chandelier renders an eye-catching transitional look. Handsome Clear Seeded Glass shades are aligned in a staggered formation, suspended from two decorative rings and a canopy while providing ambient light at various levels. All hardware is hand-finished in Solar Black while a warm glow evokes from nine decorative cylinders. Ideal for illuminating entryways, lobbies, foyers, ballrooms, and other residential, hospitality, and commercial spaces. The Cartier Cascading Chandelier is featured in our American-made, American-designed, handcrafted Transitional Lighting Collection. Manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations.
