Spanning more than 10 feet from top to bottom, this two-tiered Cartier Cascading chandelier renders an eye-catching transitional look. Handsome Silver Mica shades are aligned in a staggered formation, suspended from two decorative rings and a canopy while providing light at various levels. All hardware is hand finished in Timeless Bronze while a warm glow evokes from nine decorative cylinders, ideal for lobbies, foyers, ballrooms, and large spaces. Custom crafted in our Upstate New York manufacturing facilities.
