Elegant, classic European chandeliers inspired Squire's silhouette, employing Hand-Forged Iron scrolled arms and contoured supports to define its graceful profile from top to bottom and arm to arm. Six Off White Textrene Shades crown Ivory faux candlelights perched on saucer-like bobeches and add a lovely touch to this fixture, hand-finished in Gilded Tobacco. The overall height ranges from 31 to 102 inches, as the chain easily adjusts in the field to meet your exact specifications. The chandelier is perfect for illuminating dining areas and entryways in homes from Savannah, Georgia, to Dayton, Ohio, to Mesquite, Texas. The Squire Chandelier is featured in our American-manufactured, American-designed, handmade Traditional Lighting Collection, which is manufactured in Yorkville, NY. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
