Designed for a sophisticated architectural look. The Cilindro Pendant is handcrafted with 5 tiers featuring curved Cream Textrene shades, and complemented with bottom diffusers offered in Statuario Idalight. The hardware is accentuated in a White powder coat finish. The overall height of this pendant ranges from 39 to 116 inches as the aircraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Custom crafted in our 180,000 square foot manufacturing facility in Yorkville, NY. Available in custom sizes, finishes and styles. UL and cUL listed for dry and damp locations, however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
