Offering a refined architectural look that will complement the most luxurious interiors, Cilindro Lucy creates soft illumination and sophistication with its elegant palette. The Cream Textrene shade is complemented with a Statuario Idalight bottom diffuser and enhanced with Cortez Gold finished structural hardware and decorative accents. The Cilindro Lucy Semi-Flushmount is included in our American-made, American-designed, handcrafted Modern Collection. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
