This barrel shaped pendant features an eye-catching visual element with timeless appeal. A curved Botticino Idalight diffuser is embraced by two chains that provide a unique mounting solution. The fixture features a Tarnished Copper finish. The overall height ranges from 17 to 88 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. The chain and wire can be placed at different angles to create various configurations and achieve your desired look. Custom lengths of chain can be ordered to meet your exact specs. UL and cUL listed for dry and damp locations.
