Like multicell storms spouting heavy rainfall clusters, each element illuminates beautifully like a sunshower during a cloudburst. Each of the seven decorative elements features thin straight tubes of Crystal Idalight that surround an Edison-style lamp and is complemented with Extreme Chrome-finished hardware. This stunning ceiling fixture is a centerpiece for any dining or living area in residential and hospitality spaces, from Niagara Falls, New York, to the Waihilau Falls in Hawaii. The Ivela Flushmount is featured in our American-made, American-designed, handcrafted Contemporary Lighting Collection. This fixture is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
