Custom crafted of Brass, Pronograde is an architectural structure that features a crossbar with four arms embracing filament-styled lamps for a unique decorative look. The frame and hardware are finished in a Flat Black. This lighting design is perfect for modern homes, offices, and labs from Collierville, Tennessee, to North Wales, Pennsylvania, to San Diego, California. The Pronograde Semi-Flushmount is featured in our American-made, American-designed handcrafted Industrial Lighting Collection. The fixture is UL and cUL listed for dry and damp locations.
