A striking geometric lighting design. Pronograde is an architectural structure with a crossbar with multiple arms embracing filament-styled lamps for a unique decorative look. The frame and hardware are finished in Mirror Black. This handsome ceiling fixture is perfect for modern homes, offices, and labs, from Collierville, Tennessee, to North Wales, Pennsylvania, to San Diego, California. The Pronograde Semi-Flushmount is featured in our American-designed handcrafted Industrial Lighting Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
