Elegant, classic European chandeliers inspired Squire's silhouette, employing Hand-Forged Iron scrolled arms and contoured supports to define its graceful profile from top to bottom and arm to arm. 6 White Parchment shades crown Ivory faux candlelights that are perched on saucer-like bobeches and add a lovely touch to this fixture hand-finished in Blackwash. Overall height ranges from 32 to 67 as the chain easily adjusts in the field. The Squire Chandelier is featured in our American-manufactured, American-designed, handmade Traditional Lighting Collection. Manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the parchment shades.
