This architecturally styled fixture is designed with a pizzazz that is unique and stylish. The elaborate geometric structure features Clear Seeded Glass that reveals complementary lamps designed at different heights inside this cube-within-a-cube design. The fixture is enhanced with a Flat Black Finish. Overall height ranges from 62 to 178 inches as the chains easily adjust in the field. The anti-sway chains ensure that the pendant remains upright in a fixed position regardless of structural vibration or wind. The Kitzi Box Pendant is featured in our American made, American designed, handcrafted Transitional Lighting Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
