Absolon captures the epitome of a Mid-century Modern look, featuring soft curves and minimalist materials that evoke a sense of nostalgia. The unique combination features Faux Leather and Statuario Idalight, including a complementary bottom diffuser. Four inner lights bring out the beauty of the Idalight and Leather, while a downlight delivers functional illumination on surfaces below. The lighting fixture benefits from two circuits that give you precise dimming control over both layers of light to create the perfect ambiance in the space. The fixture is enhanced with a Rustic Iron finish. This pendant is ideal for illuminating kitchen and dining tables in homes from Amherst, Massachusetts, to Richmond, Virginia, to St. Paul, Minnesota. The Absolon Pendant is included in our American-made, American-designed, handcrafted Contemporary Collection. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the leather shade.
