Bring Gothic Revival into your home with the elaborate Warwick Chandelier. The luxurious fixture integrates a rustic Motif with classic style. Six Ivory Faux candlelights perched atop bobeches on a ring feature speartip accents and provide lighting that conjures up images of romanticized bygone days. Decorated with cast iron medallions and enhanced with a Dark Roast finish, it completes the evocative impression. Ideal for placement above dining tables, in entryways, and living spaces in residential and hospitality settings. Inspired by decorative chandeliers found in castles, from West Hills, New York, to Loveland, Ohio, to Honolulu, Hawaii. The overall height ranges from 39 to 70 inches, as the chain length easily adjusts in the field. The Warwick Chandelier is included in our American-made, American-designed, handmade Gothic Lighting Collection and manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations.
