This two-tiered chandelier renders an eye-catching transitional look, spanning up to more than 10 feet from top to bottom. Beautiful Crystal Idalight shades with Snow White Fabric are aligned in a staggered formation, suspended from two decorative rings and a canopy while providing light at various levels. All hardware is hand-finished in Wrought Iron while an inviting glow evokes from nine decorative cylinders. The overall height ranges from 80 to 122 inches as the chain length easily adjusts in the field. The Cartier Cascading Chandelier is featured in our American-made, American-designed, handcrafted Transitional Lighting Collection. UL and cUL listed for dry and damp locations.
